SOFT SKILLS

Collaboration • Interpersonal Skills • Creativity • Logical & Critical Thinking • Attention to Detail • Active Listening

UI/UX Projects

Avocadoo
Nov 2021 - Jan 2022

Recipe App

Portfolio Link
Designed a responsive recipe app for healthy and customazible resipes by conducting user research, creating user personas, user flows, wireframes and mockups with sketch. Users tested my prototype via InVision.

Simple Note
Feb 05, 2022

Note-Taking App

Portfolio Link
Finished a Note-Taking App with minimal requirements by producing wireframes on paper and in Sketch while only incorporating most relevant features and design elements.

Pure
Feb 01 - Feb 24, 2022

Ecology-Minded Online Store

Portfolio Link
Produced a responsive ecommerce app by creating brand guidelines, wireframes and mockups with Sketch and conducting user tests with InVision.
